

15" ICE MAKER

This durable, outdoor rated ice maker ensures you always have ice when you need it. Constructed of #304 stainless steel with front venting, it's perfect for built-in kitchen islands or even freestanding applications like RVs or boats. An included hose allows for the unit to be easily setup: just connect to a water line and plug into a power source, and you are ready to go. The ice maker features an automatic shutoff when it reaches its 25 lb. capacity, and it is capable of producing up to 50 lbs. of ice daily.
